MCC responds to disaster caused by Cyclone Idai in Mozambique and Malawi: On March 15, Cyclone Idai destroyed 90 percent of Beira, one of Mozambique's largest cities, and affected nearly 3 million people in its path with widespread flooding up to 20 feet high. Bridges, roads, fields, farms and millions of homes were violently washed away. It was one of the worst tropical cyclones ever to hit the southern hemisphere. Your gift will help MCC and our partners provide emergency assistance to those in dire need. You can donate online at mcc.org/cyclone-idai. Donations can also be made by calling **1-888-563-4676** or by contacting your local MCC office.

Love Crosses Borders: July 28 – Aug 3, Mennonite Men is providing a week-long immersion experience to address immigration and race issues. Love is the greatest of all virtues. But what does love look like in times of cynicism and polarization? Borders are not only social constructs, they're also spiritual ones. Who's included? Who's excluded? How do we reconcile God's call to welcome the stranger with so much fear-filled rhetoric and policies? What can unwelcomed immigrants teach the Church about love? How can the legacy of the Civil Rights Movement inform and inspire us to a love that crosses borders? To register or for more information, visit MennoniteMen.org or contact Steve Thomas at his email SteveT@Mennonites.org.
